## Certificate of Conformity Ultra Rib 2 pipes and fittings

Dear Mr. Hansen,

We hereby certify that the delivered Ultra Rib 2 pipes and fittings has been inspected and tested in accordance to the required standards ( DIN EN 13476-3, our national approval Z-42.1-275 from the DIBT, Berlin ).

On the enclosed data sheets for pipes and fittings you found the relevant measerments. The measerment d2 is the internal diameter of the socket.

Best Regards

**Anger Systemtechnik GmbH**
